Keep Your Computer Logged in to Pipeline for 7 Days

SUMMARY

Activate the extended login feature to skip repeated logins.

IN THIS ARTICLE

Activate the Extended-login Feature

To activate the extended login feature:

1 **From the login page, enter your login credentials** as you normally would to sign in.

2 **Click [Stay logged in for 7 days].** When you access Paperless Pipeline for the next 7 days, you will automatically be logged in.

Once 7 days has passed, you'll need to repeat the steps above to reactivate the extended login.
