

Pin A Checklist On A Transaction

Pin a checklist on a transaction to the top of the *Checklists* area. By default, checklists appear in the order they're added with the most recent at the top. A pinned checklist will remain at the top even once new checklists are added.

Who Can Do This? Checklists can be pinned by admins with permission to *Fully manage checklists and templates*.

To pin a checklist:

- 1 Go to a transaction.
- 2 Hover over the name of the checklist you want to pin.

- 3 Click [the pin icon] that appears when you hover over the checklist's name. The pinned checklist will remain at the top of the transaction's *Checklists* area.
