

# AI Doc Review Page Balance

## Early Access

*AI Doc Review* is in early access, which means you're getting a sneak peek before it's widely released. Want to try it out? [Contact us!](#)

With *Pipeline AI Doc Review*, you purchase pages and only use them when your team runs scans. Pages never expire, there are no subscriptions, and you can enable auto-reload so you never run out.

## Introduction

*Pipeline AI Doc Review* pages are available for \$99 per 1,000 pages. Each page of a scanned document uses one page from your balance. Pages never expire and roll over indefinitely.

There are no contracts and no subscriptions. Purchase pages when you need them, or enable auto-reload to automatically purchase 1,000 pages when your balance hits zero.

From the *Pipeline AI Doc Review* management area, you can track your page balance, see how many pages your team has used, view estimated time saved, and purchase additional pages at any time.
